## **Establishing Monthly Pillars Worksheet**

The Pillar of the Month works! When listing the Six Pillars, they should be said or written in order (Trustworthiness, Respect, Responsibility, Fairness, Caring, Citizenship). However there is no set order to teaching the Pillars throughout the year. The Pillar of the Month is simply a tool to add an overall theme and get some added focus on a particular Pillar.

Month	Pillar	What to do

## **CHARACTER COUNTS!**
